The Haq Sounds Like Hate To Those Who Hate The Haq

## Drop The Curfew – *Where Are The ‘Life-Savers’, Anti-Masjid court-scholars* – Please Go To Court To ‘Save Lives’!!!

*The above article has been published in The Star newspaper which has a huge readership in South Africa.*

When in 2020, a group of Muslims and Ulama petitioned the government to open the Masaajid – **BEST OF SPOTS ON EARTH AS PER THE HADITH** – very quickly did the scholars of the government become the friends of the Kuffaar who opposed this ISLAMIC STANCE and fought in court for the Masaajid to remain SHUT.

Just like how they marched into the court to prevent the Masaajid from opening, chanting and dancing to the Shaitaani-motto of saving lives sung by the atheist and government in whose ‘good books’ they appear to die to remain, we want to see if they will approach the court to prevent curfew from being waived in order to ‘save lives’. Or, is their game only in attacking Deen and the Ulama-e-Haq due to them fully embracing the atheists, government and modernists while chucking Allah's Pleasure out of the window?

***It is silly for any sane Muslim to still donate to the court-Ulama calling themselves 'uucsa'! Every cent donated to them aids in the bulldozing of the very foundation of Deen!***
