JUSA & Omar Sulaiman (Part 2)

A Senior Aalim Warns The People Of South Africa

*A very senior Aalim-e-Haq of South Africa echoes the undefeatable HAQ – TAKBEER, **ALLAHU AKBAR!!!***

The following is a transcription of the portion of the Bayaan we received from someone who sent us the audio clip:

“...The opposite and wrong what is happening, condemn it! Hate it from the heart. For example, now, JUSA has invited this Solomon man from America – Omar (Sulaiman). A non-Aalim. A doctor. A person who encourages LGBTQ, homosexuality, lesbianism, all the interfaith things, all the Haraam of the interfaith – all that. And giving him an official invitation on the Jamiat letterhead, signed by EI Bham. Huh? And that is inviting him to speak to the Ulema.

A person who is a deviant like that. A person who hates the Deen – who is an agent of the America government – who can pain for the democratic party of America. A person of that nature, is given the honour to be invited by JUSA. And then, not only that, but to speak to the ulema.

And the sad part is, our ulema still go there. All the people who are doing the wrong, who its known what wrong they are doing, and why must we still go there. Why must we still go and listen to all this muck and this rubbish of this people. Why must we go? Allah Ta’ala give us Tawfeeq to come to our senses. And that we work on this. Protect our Imaan. The Imaan of our families, our communities.

We give our platforms in our Masjids to all these wrong doers. We allow them to come. One is to do the wrong, that is also completely wrong. One is to befriend the wrong doers. And to arrange their programs etc. and the other is though we don’t do the wrong, we don’t do any programs, but we still socialize with them. That is also totally haram. The most it is if you come into a situation, they make you salaam you make salaam. But to get into socializing, joking, talking, eating, drinking together – there’s no room for that in the shariat. But yet we accommodate all that also. And what face will we show to Allah Ta’ala. What face will we show to Nabi Sallallahu alaihi wasallam. So Allah Ta’ala give us Tawfeeq...”

(Hazrat Moulana Abdul Hamid Ishaq Daamat Barakaatuh, Bayaan dated: 20/04/2025)

Our comment: JUSA is at pains to Americanize Islam in South Africa! Adopt the company of the Ulama-e-Haq to safeguard one’s Imaan!

To be continued, Insha Allah
