JUSA's Silly '3rd Wave' Scrap Paper – *Fear Mongering & Doing The Dirty Work Of The Atheist And Kuffaar!*

Nabi (Sallallahu alaihi wasallam) refutes the seemingly atheist-type belief JUSA has regarding 'contagion', by stating, *“There is NO contagion.”*

In an attempt to scare the masses, JUSA has once more behaved un-Islamically. In a recent poster of theirs which we have referred to in the heading of this article as 'scrap paper', there is nothing but fear mongering, doing government's job and un-Islamic content in it. Any poster or article of any so-called organisation known to be consisting of 'Moolanas' and 'Sharks' (Shaykhs) should be classified as 'scrap paper' which should find itself in the trash and bins. Mu'mineen are not interested in them.

Among the content of this un-Islamic poster of JUSA is the following – we have bolded some words in order for you not to miss the points:

1. New covid-19 cases are on the rise **again**
2. Members of community should **exercise caution** by **adhering to the measures** that will **curtail the spread** of the coronavirus
3. Community to do their part in order to **mitigate risks** associated with Covid-19, **without causing unnecessary tension and discord** among ourselves
4. Let us supplicate to the **Almighty** to take away the pandemic from our midst

Briefly, we shall comment on each point in the same number formation:

1. Nabi (Sallallahu alaihi wasallam) said that there is **NO** contagion in Islaam. So, in Islaam, 'new cases' don't rise or increase 'once again'! Yes, in the 'Islaam' of the government whom JUSA always tries to please, 'new cases' increase.
2. The above point answers this point as well. If only JUSA's gaze was fixed on Deen and not on atheist governments, then they wouldn't have made themselves a laughing stock in terms of Deen! Added to that, Mu'mineen are only interested in 'caution' and 'measures' that are 100% Islamic and Deeni, not 'measures' dished out by atheist and politicians who don't make Istinjaa!
3. Is JUSA playing a blame game? **Was it not JUSA who called for the SHUTTING of the Masaajid and OPPOSED the Masjid court case?** The Hadith clearly states that the Saffs play an important role in UNITY. JUSA calls for destroying the Sunnah formation of Saffs, then expects there not to be 'discord' and 'tension'. They are truly dreaming in their offices! Nay, JUSA are the ones causing unnecessary tension and discord! Is JUSA trying to say that if they once more call for the ACCURSED SHUTTING of the Masaajid, as Muslims we should sit and just watch?
4. The use of the word 'Almighty' clearly shows JUSA's poster was directed to its **Kuffaar** friends. When writing to Mu'mineen, one uses Islam-friendly words.

JUSA is pro-covid, pro-vaccines & anti-Islaam, anti-Shari'ah and anti-Sunnah!
