## Don't Become 'Positive' In The Covid Tricks – *Beware Of MJC's Propaganda!*

### Re: 'Urgent Call', issued by the MJC (dated 11/12/2020)

We have seen MJC's public statement in which they have dinned into the Muslims the *importance* of enforcing the scandalous man-made protocols of the atheists! This shows that MJC, like JUSA/UUCSA, are agent scholars of the government!

Imagine the Houses of Allah Ta'ala – *the Masaajid* – are forced to abide by the laws of the enemies of Allah Ta'ala, as harped and drummed by the so-called '*heirs of the Ambiya*' – *the 'Ulama' and 'Shaykhs'*! How ironical, lamentable and hypocritical?

With what audacity has MJC made the following statement that defies Imaani logic, “*If any Masjid is unable to adhere to the protocols, it is advised that those Masjid close until they are able to do so.*” (May Allah forgive us for even quoting such un-Islamic content)

Does MJC have no shame to make such an un-Islamic utterance? Is MJC not happy and pleased to have a Divine Deen which is governed by Divine Immutable Protocols, regarding which Allah Ta'ala announced His Pleasure in the Qur'an Majeed:

**“I (Allah) am happy with Islam as your Deen.” (Maa'idah, Aayat 3)**

While MJC has succumbed to the covid game of fear mongering and fear numbering, they have '*attacked*' the Masaajid once more in words and deeds. Can any genuine Aalim or Shaykh ever stoop to such a low ebb where he starts having a '*problem*' with the Houses of Allah Ta'ala? Can such a person ever be called a 'Moulana' or 'Shaykh', an heir of the Ambiya?

While MJC has publicized their 'concern' regarding the Masaajid, they appear to be deafeningly silent when it comes to encouraging the man-made protocols in the malls, shops and ALL other places where the chances of viruses to be 'contacted' are Islamically – *as per the Hadith* – and logically far greater than in the Masaajid!

**Nabi (Sallallahu alaihi wasallam) said, “When disease descends from the skies, it is averted from the inhabitants of the Masaajid.” (Faidhul-Qadeer and others)**

When entering the Masjid, the following Du'a is read, “**O Allah! Open for me the doors of Your Mercy.**”

Can one fathom that viruses will *haunt* one in the Masaajid if man-made protocols are not adhered to? Can one ever hallucinate that Masaajid are '*sssuuper-spreaders*' of viruses? **May Allah Ta'ala expose Baatil and the people of Baatil so that the Ummah can be saved from their deadly virus which will ruin one's Imaan and Akhirat, Aamen.**
