The Haq Sounds Like Hate To Those Who Hate The Haq

## UUCSA's, JUSA's and Radio so-called Islam's worrying silence on the Shi'a issue

Many concerned Muslims had questioned uucsa, jusa and radio so-called 'Islam' to gain their clear stance on the status of the Shi'as as to whether they are Muslims or not. These messages which were submitted to them either via e-mail, via social media and/or via any other means have to this day fallen on deaf ears! From the reports that we received, we learnt that some brothers who asked uucsa, jusa, radio 'Islam' and mjc about the Shi'as, have received no answers to this day from any of them! This is worrying! Why the silence???

This clearly makes any intelligent Muslim think as to why they have adopted such un-Islamic silence on the Shia's creed despite the issue being as clear as daylight.

Since in other matters – e.g. government related issues, keeping the Masaajid SHUT by becoming *amicus curiae* (friends of the KUFFAAR) in the court, HARAAM interfaith gatherings, marches, solidarity related issues and at other similar occasions, these same groups are seen at the fore and allow themselves to be in the limelight! Yet, on this issue of the Shias, they are utterly SILENT?

This is truly an indication that there is something extremely sinister and HARAAM going on behind the scenes with uucsa and their so-called 1500 'Ulema', and jusa and its Moolana Bham. Be wary of these groups! Don't take ANY Deeni guidance from them!

**Nevertheless, we continue reminding the Muslim Ummah – *those who have the welfare of the Imaan of our future in mind* – not to contribute even ONE CENT to any organisation that is under or connected to:**

**UUCSA, JUSA, MJC, radio so-called 'Islam' and/or any Aalim who runs any Deeni or social work, but supports any of the above groups!**

**'DRY' THEIR POCKETS UP! THIS WILL WAKE THEM UP! THIS WILL MAKE THEM SPEAK-UP! O UMMAH! ASK THEM TO ANSWER! CHALLENGE THEM TO ANSWER!**
