Why Is Radio ‘Islam’ An Unreliable Entity?

“Soon shall there dawn an age when Their (the Ummah’s) Ulama will be the worst under the canopy of the sky. From them will emerge corruption and (it) will rebound on them.” (Mishkaat Shareef)

QUESTION: *Is it appropriate to listen to Radio Islam? If not, do offer basic reasons as to why not. Jazakallah.*

ANSWER: There are tons of reasons why one should NOT listen to Radio ‘Islam’. This radio station has propagated much un-Islamic content. They play a major role in JUSA’s and UUCSA’s objective of presenting a watered down Islam – a modern Islam to suit the Dajjali modern world.

Hereunder are just a handful, basic points as to why Radio ‘Islam’ and its scholars should not be followed, heard and obeyed:

1. Totally against the Explicit Qur’anic Aayat commanding Muslim women NOT to speak in alluring tones, Radio ‘Islam’ allows women to host programs who speak in total violation of the Qur’anic Divine Command.
2. Their scholars appear on TV. In fact, their scholars were seated comfortably in their TV studio (Dajjal’s office) next to a Muslim woman. They have distorted the 1400-year-old unanimous Fatwa of pictography and intermingling to be Haraam. This is the new modern Dajjali ‘Islam’ they want their listeners and viewers to follow!
3. Their making of videos and broadcasting them on their social media platforms is un-Islamic and Haraam. Virally sending videos at the room of a recently brother who had drowned, while showing the Marhoom’s room, bed, etc. turns the radio station into a film-making entity. The word ‘Islam’ strategically fitted in their name has nothing to do with the 1400-year-old Islam. It is merely to trick masses into the trap of their ulterior motive of introducing a watered down version of Islam.
4. Airing the talks of deviates is another attempt of presenting an un-Islamic version of the Genuine Islam.
5. They promoted and supported the anti-Masjid court case wherein UUCSA begged the court to keep the Houses of Allah Ta’ala SHUT. This anti-Islamic support of theirs renders them an unreliable entity. How still can one attach the word ‘Islam’ to their radio’s name?
