Where Are The Friends Of The Court? (#1)

The Enemies Of Allah Ta'ala, The Sunnah And The Masaajid

O Ulama-e-Court – O UUCSA, JUSA And MJC! Rise And Shine, To 'Save Lives', To Put Smiles On The Faces Of Those Who Wine And Dine – The Politicians Whom You Endeavour To Please And Appease All The Time!

A news article dated 16 January 2021 was titled as, '**South African national Christian Forum to challenge church closures in court**'. Another news article dated 22 January 2021 titled, '**Pastors march to Union Buildings want Ramaphosa to allow churches to reopen under level 3 lockdown**'.

When the Ulama-e-Haq went to court to seek the opening of Allah's Houses, UUCSA ambushed this by becoming the *Amicus – friends of the Kuffaar-enemies of Allah* – and fought tooth and nail to keep Allah's Houses SHUT on the faces of the Muslims, hours before the month of Ramadhaan! **This revealed their true colours for ALL to see!**

Allah Ta'ala says in the Qur'an Majeed, "Assist each other in good works and Taqwa."

Now is their time again to 'save lives', because as per the cartoonist 'Mufti' they follow, the Masaajid are the '**super-spreaders**' (Astaghfirullah!) of the virus. Also, 'saving lives' demands the closure of places of worship because as their Kuffaar/atheist masters have drummed into the people that the 'intelligent' virus only attacks in these places and not in shopping centres, offices, or their (UUCSA's/JUSA's) radio station/s which airs the voices of women in total disregard for the demand of Hijaab. Not to speak of their TV channel!

Now is the time for these same '*life savers*' to **rise** once more, in order to **shine** in the '*good books*' of their (Kuffaar) masters they please and appease all the **time**! It is time for us to see if they will oppose the Christians in their court case. It will show whether their opposing the Masjid case was due to a personal vendetta they have against certain Ulama-e-Haq who thoroughly expose their Shaitaniyat, evils and HARAAM. **It is time to see which side their bread is buttered!** In the end, how will they oppose Christians (Kuffaar) since they have become the 'friends of the Kuffaar' in the Masjid court issue until or unless they publicly apologise in unequivocal terms displaying sincerity and remorse that they were wrong.

(To be continued, Insha Allah)
