***In Praise and Defence of Hazrat Aisha Siddeeqah
Radhiyallahu anha—The Beloved Wife of Rasulullah
Sallallahu alaihi wasallam***

Did you know?

**The Shi'ahs hate Ummul-Mu'mineen, Hazrat Aisha
Radhiyallahu anha—The beloved wife of Nabi
Sallallahu alaihi wasallam?!**

**Wake up, O Muslim Ummah! And learn about the incorrect beliefs
of the Shi'ahs and protect your Imaan!**

In Tehran Times, 25th August 1982, Mutahhiri, a Shi'a, wrote:

"..... Aisha and Az Zubair and Talha, we do not feel any hesitation, for we see the second group (referring to **Hazrat Aisha**, Hazrat Zubair and Hazrat Talha-*Custodians of the Haq*) as people with the looks of criminals, that is, the effects of evil and treachery are evident on their faces. And when we look at their faces and their treacherous characters we guess they are people of the Fire."

Imagine, the beloved wife of Nabi Sallallahu alaihi wasallam is referred to as one with the 'looks of a criminal', Na'uthu-Billah!

Whereas Nabi Sallallahu alaihi wasallam had so much of love for **Hazrat Aisha Siddeeqah** Radhiyallaahu anha. He (Sallallahu alaihi wasallam) said about her:

"Do not **HURT** me regarding **Aisha**." (Bukhari & Muslim)

"The superiority of **Aisha** over women is like the superiority of Thareed (a kind of food) over all food."

In Bukhari Shareef, the narration is mentioned that once Nabi Sallallahu alaihi wasallam was asked as to who was the most beloved to him (Sallallahu alaihi wasallam). Nabi Sallallahu alaihi wasallam replied, “**Aisha**”. He (Sallallahu alaihi wasallam) was then asked, “And from the men?” He (Sallallahu alaihi wasallam) replied, “Her father.”

Imagine, the two human beings Nabi Sallallahu alaihi wasallam loved the most, father and daughter—Hazrat Abu Bakr Radhiyallah anhu and **Hazrat Aisha** Radhiyallahu anha, yet the Shi'as hate them the most! Innalillahi-wa-innaa-ilaihi-raaji'oon! Allah Ta'ala protect us all, Aameen.

Nabi Sallallahu alaihi wasallam only received Wahi (the Divine Revelation of the Qur'an Majeed) when he was with **Hazrat Aisha** Radhiyallahu anha.

There are many, many other great virtues which authentic Kitaabs have recorded about **Hazrat Aisha Siddeeqah** Radhiyallahu anha. Yet, the Shi'as have such evil and bad remarks about her, Na'uthu-Billah!

May Allah Ta'ala give us the love for each and every Sahaabi of Rasulullah Sallallahu alaihi wasallam, Aameen.

(The Shi'a Series is dedicated to inform and educate the masses regarding the great status the Sahaabah Radhiyallahu anhum enjoyed and to compare the Qur'anic verdicts as well as the truthful words of Nabi Sallallahu alaihi wasallam in praise and honour of the Sahaabah to that of the insults, curses and swearing of the Shi'as.)
