Kuffaar Shi'as Were & Will NEVER Be Our Friends!

Weekly, from the pulpits of the Masaajid, the following words of Nabi (Sallallahu alaihi wasallam) are echoed:

“He who hates them (my Sahaabah), hates them because he hates me.”

Alhamdulillah, some of the Ulama-e-Haq of South Africa have travelled recently to Shaam (Syria). They have reported back on what they have witnessed. The brutality, oppression and torture which the Shi'a regime had wreaked upon our Ahlus-Sunnah members, are undoubtedly shocking. Carpet bombing was the call of the day. The Ulama have simplified what they witnessed for us to understand in the following explanations, **“There are many Gazas in Syria”**.

Our point here is that one important lesson we should remember, that the **Kuffaar Shi'as** who are thorough Kuffaar with no doubt in that, were and will never be our friends.

On the 1st of August 2025, The Majlisul-Ulama embarked on a ‘Tent Project’ for more than half million expelled Afghani Muslims. These Afghanis, who are Sunnis (Ahlus-Sunnah wal Jamaa’ah members), had settled in Iran when Afghanistan was invaded by the so-called ‘super-powers’ of this era – *who were sent back home, with their tails between their legs!*

Describing the sad state of our Muslim Afghani brothers and sisters, the article states, *“In just 16 days, Iran has expelled more than half million Afghani Muslims.”* It also described their critical condition stating that they were languishing in the open, exposed to the weather conditions and were totally deprived of the basic amenities of life.

This should be an eye-opener to ALL Kuffaar Shi'a sympathizers! Shi'as are Kuffaar. Anyone doubting this fact is in grave Imaani danger. Iran was NEVER for Muslims, Palestine, Masjid-ul-Aqsa and Ghazzah (Gaza). Their ‘war’ against ‘Israel’ was not for any Palestinian motive. If it was, why did they stop? Why did they not continue until ‘Israel’ stopped their genocide in Gaza? If Iran cared for Gaza or Sunni Muslims, then why did they expel half million Afghanis?

South African Muslims should know that ALL Shi'as in our community, and elsewhere, are Kuffaar and NOT our friends. South African scholars of modernism (such as JUSA, UUCSA and company) bootlick Shi'as, are their sympathizers and want unity with them. What a pitiable state of affairs. This is totally expected as such scholars are the pro Dajjali One World Religion agents! Be wary of them and boycott such scholars and modernists in our country!
