The Haq Sounds Like Hate To Those Who Hate The Haq

## Radio "Islam's" Shi'a "Imaam" – *Boycott Radio "Islam"!*

**Nabi (Sallallahu alaihi wasallam) said, "Fear Allah! Fear Allah, with regard to my Sahaabah! Do not make them targets (of abuse) after me..."**  
(Tirmizi Shareef)

The above Hadith Shareef which is echoed generally from the Mimbars every Jumu'ah is sufficient as a severe warning to those who abuse the Noble Sahaabah (Radhiyallahu anhum) like the Kuffaar Shi'as. We as the Ahlus-Sunnah wal Jamaa'ah should **NOT** befriend such people who swear and hurl insults at the Sahaabah (Radhiyallahu anhum).

Despite this, we find the mouthpiece of JUSA, viz. Radio Izlam, interviewing a Shi'a and even calling him 'Imaam'! *Astaghfirullah; Walaa-Hawla Walaa-Quwwata Illaa-Billah!*

The Shi'a which Radio Izlam interviewed, and even posted the interview on its social media platform, and very soon thereafter **DELETED** the interview, is no ordinary Shi'a! Read the background of the Shi'a which was shared and researched from a simple Google search (bolded and highlighted text is our emphasis):

1. **IMAAM AND SPEAKER:** Dr Mathee delivers talks at the Shi'a headquarters, Ahlul Bait Temple (in Ottery).
2. **SHIA MUSLIM SCHOLAR:** He is recognized among the leading Shia Muslim scholars in South Africa, contributing to joint statements on regional peace and moral leadership.
3. **SCHOLARLY ACTIVISM:** He is active in religious dialogue and social issues, often **participating in seminars hosted by platforms like Radio Islam International** to discuss topics such as international diplomacy and Islamic history.

In point number 3, Radio Izlam is caught once more with its 'pants down' for all to see its allowing Shi'as a platform on its airwaves.

From the above we also understand that the "Imaam" of Radio Izlam is an active Shi'a figure operating in South Africa, and is recognized among fellow Shi'as as well. He frequents Shi'a headquarters and then is allowed a platform on the airwaves of Radio Izlam. This is another terrible disservice of Radio Izlam to the Ummah!

Thus, the only way forward is for each and everyone to totally abstain from listening and supporting this radio station dubbed as 'Islam'. It is a tool to water down Islam and replace it with a weird Islam, in setting the accursed stage for the coming of Dajjaal.
