The Haq Sounds Like Hate To Those Who Hate The Haq

“UUCSA” Going To Roshnee – **Beware!**

“Have you seen him who takes his desires as god, and Allah has made him go astray despite having knowledge and has sealed his hearing and heart, and put a veil over his sight?” (Jaathiyah, Aayat 23)

“Then, We have put you on a Special Way (the Shari’ah), so follow it and do not follow the whims of those who have no knowledge.” (Surah Jaathiyah, Aayat 18)

“Knowledge is indeed part of your Deen. So be careful as to whom you accept your matters of Deen from.” (Hazrat Ibn Sireen Rahimahullah)

(We have been sent program notices of UUCSA, or/and UUCSA members (this includes Radio Izzlam presenters, etc.) going to certain towns for some type of programs. Insha Allah, we shall comment regarding some of those posters. In this article, we are focusing on UUCSA’s trip to Roshnee.)

After **SHUTTING DOWN** the Masaajid in 2020, and thereafter begging the court to keep the Masaajid **SHUT** by becoming the Amicus Curiae (friends of the court, enemies of Allah), UUCSA’s recent history is becoming darker by the day. Just recently, UUCSA’s so-called president was rubbing shoulders with a Jewish Rabbi at the Haraam G20 interfaith circus. Yes, at a time when even the modernist Muslims of South Africa are somewhat conscious of so-called ‘Israel’ and are individually trying in small ways to not support the ‘Israeli’ regime. Thus, even such Muslims, when buying products, are opting for alternate brands which don’t openly support Israel.

But this is not the case with UUCSA, a so-called ‘umbrella’ body. Its so-called president rubbed shoulders with a Jewish Rabbi at the G20 Haraam interfaith circus!

Thus, it is not at all advisable to join, attend, listen and partake in any of UUCSA's programs. Even UUCSA's workshops scheduled for Roshnee, in which they calling Aapas to attend, should be totally ignored. And this applies to ALL towns and communities wherein UUCSA is going. Life must carry on normal in all towns wherein UUCSA's shadow falls. If two simple and basic things – *out of many, many other issues* – UUCSA is so naïve of, then what trust can we place in them that their programs will align us to the strict teachings of the Ahlus-Sunnah wal Jamaa'ah and not to a watered down version befitting for the followers of Dajjaal? The following are the simple issues which exposes UUCSA's naivety:

1. **CLOSING THE MASAAJID:** Even a non-Muslim knows that a Muslim values the Masjid. But this is not the case with UUCSA, to them, dancing to the Na-Paak calls of the atheists, scientists, governments and the entire lot of clowns during covid-19 in 2020, held more 'Dajjaali-Fazaa'il'! And today, those very same scientists who UUCSA took their cue from, have changed their narrative and admitted that those protocols were useless.
2. **JEWISH RABBIS:** Even a Muslim child, will eventually understand that Jews are our enemies. But this is not the case with UUCSA. To them, rubbing shoulders with a Jew is fine and perhaps nice – perhaps they go in some sort of Shaitaani 'ecstasy' in rubbing shoulders with Jewish Rabbis?

***If UUCSA comes to your community, then
you carry on with your life as normal!***

No need to attend UUCSA's programs!

***No need to cancel your appointments to
make it for UUCSA's programs!***

***Carry on your chores for the day as normal,
just like any other day!***
