The Haq Sounds Like Hate To Those Who Hate The Haq

“Speak the Haq even if it is bitter” (Hadith)

Ignore the talk prepared by UUCSA with the help of **Mr Bogey AI**¹

“Knowledge is indeed part of your religion. So be careful as to whom you accept your matters of Deen from.” (Hazrat Ibn Sireen Rahimahullah)

UUCSA’s invite to a so-called ‘unified’ Jumu’ah talk on the role of Muslim females should be totally ignored!

No Imaam, Khateeb or Moulana who delivers Jumu’ah Bayaans and **loves the Masaajid**, should even bother of taking up this invite and call of UUCSA!

UUCSA is an anti-Masjid mob of Masjid SHUTTERS! Thus, the Qur’an Majeed’s Promised Disgrace (Surah Baqarah, Aayat 114) has settled on them!

All the members of UUCSA who supported the anti-Islamic SHUTTING of the Masaajid and becoming the accursed Amicus of the court, carry the **stain** of the **Nahoosat** (misfortune) of this evil action of theirs!

Therefore, ALL of UUCSA’s projects – *even permissible ones* – have the stain of the **Nahoosat** of their Amicus Shaitaniyat regarding the Masaajid court case!

Nabi (Sallallahu alaihi wasallam) has cautioned us that he who increases the number of a people (group, organisation, etc.) is regarded to be part of them.

Therefore, partaking in this Jumu’ah Bayaan call of UUCSA, renders one as an indirect ‘associate’ of UUCSA. We are supposed to distance ourselves from UUCSA!

Thus, the Divine Disgrace as promised in Surah Baqarah for SHUTTING down the Masaajid and becoming the Amicus (friends of the court and foes of the Masaajid), will pass on to anyone who becomes a complicit (even indirectly) of UUCSA!

It shouldn’t be that on Qiyaamat’s Day one is grouped with the liberal-minded scholars of UUCSA who are **watering down** the Shari’ah in **preparing the stage for the arrival of Dajjaal**!

TRASH THIS INVITE OF UUCSA INTO THE ‘BIN’!

¹ **Artificial Intelligence:** UUCSA said regarding the topic it prepared, “...However, AI software (ChatGPT and Gemini) was used to assist with structuring language editing.”
