Youth Of The North FITNAH – *And All Similar Youth Groups & Teams...*

We strongly discourage ALL youth from attending Youth Groups, such as Youth of the North, South, East, West or of any other direction, as well as the so-called “Deen” Team and ALL similar groups “*Birds of a feather flock together*”, is a famous English proverb. Associating with them and attending their Haraam games, camps, outings, tours, etc. indoctrinates the brains of the youth into modern thinking with weird liberal ideas about Islam! Thus, they view Islam as a religion of tournaments, games, play, food, food, food and some dynamical talks! Oh yes, not to forget the turning of Fajr Salaah into a competition.

Below are some wonderful statements made by an honourable Moulana Saahib who had attended the Majaalis of the late Hazrat Moulana Yunus Daya (Rahmatullahi alaihi) of Marlboro (Jhb North), who was a Beacon of light especially to the Ummah of the North.

The Moulana said, commenting about the Youth groups in the North:

“We were all youth but Hadhrat Moulana Yunus Daya, a spiritual reformer of the North making Jumuah possible for many in the North never once suggested we go this direction. Youth but we were affected by his humble and truthful company and that is what he encouraged so we will not hide this and tell you O Youth, go and sit in the company of the Mashaaikh of our country. This is what Hadhrat lived for! Ask the organisers of these padel events who once followed Hadhrat.”

The Moulana also said:

“They claim youth of the North but they cannot speak and educate the youth on our beliefs regarding Jihaad, Shiasm then what are we developing?

Peddlers of Western Sports/Narratives?”

(End of the comments of the honourable Moulana Saahib published verbatim)

It is very true that the youth get modernised at these Youth programs and events of Youth of the North, “Deen” Team, etc.! This is because the founders, the Ameers and those involved and endorse such groups are liberal minded, even if they be so-called scholars. Just look at which scholars endorsed the initiative of the so-called “Deen” Team, and see for yourself the results of this team of play, tournaments, games and amusement! The fact that our Akaabir Ulama-e-Haq condemn ALL these playful teams, youth groups, etc. that are associated with modern-Masjid-shutting scholars, is enough to steer clear from their events.
